

## Checklist for Art History Majors (updated Sept. 2013)

|                                  |             |
|----------------------------------|-------------|
| Name                             | Graduation  |
| Major declared: month, day, year | I.D. number |
| Major advisor                    | Email       |
| Local address                    | Telephone   |

| Course      | Course number | Course title | Fall | Spring |
|-------------|---------------|--------------|------|--------|
| Ancient     |               |              |      |        |
| Medieval    |               |              |      |        |
| Ren/Baroque |               |              |      |        |
| Modern      |               |              |      |        |
| Non-Western |               |              |      |        |
| Elective    |               |              |      |        |
| Elective    |               |              |      |        |
| Elective    |               |              |      |        |
| Elective    |               |              |      |        |
| Seminar     |               |              |      |        |
| Seminar     |               |              |      |        |

- At least two of the non-seminar courses must be at the 3000 or 5000 level.
- One 1000-level course may count towards an elective.
- Courses in Architectural History (ARH, School of Architecture) above the 1000 level may count towards any requirement.
- Any Studio Art course (ARTS) may count as one of the electives, including one at the 1000 level.
- An Arts Administration (ARAD) course may count as one of the electives (but it does not fulfill a seminar or a 3000 level requirement).
- The University Museum Internship (ARTH 4951, ARTH 4952) may count as elective credit.
